Wow, what a Club Banquet. Great place, great food, great service, great prizes ... did I mention it was great? Bread and salad to start, followed by mostacholi (and more bread), and then the main course. For me it was the prime rib and baked potato. The only mistake I made was ordering the extra cut ... just too much. Kudos to Jerry Ream for organizing everything. And thank goodness Jerry said he would do it again next year. I'm sure that's what I heard him say.

For the program Fred handed out Flight-A-Month certificates. Hey Fred, nice job with very professional looking certificates.

I did a slide presentation of "The Year In Review." Seems like a lot of folks enjoyed it. I'll bring it to the next Club Meeting for viewing.

Jerry also handed out eight \$50 door prizes to five lucky and one really lucky recipients. Check the pics on the web site and it should become very apparent who scarfed up three of the prizes.

We did have one other presentation, actually announcement. That was for "Wings of Service." Al Smith was the recipient, but unfortunately for us had a prior engagement. Al is extremely deserving of the Award. Al has been a tireless worker and promoter of the Club. Whether it is maintaining and improving the field, interacting with the Park District, running events, or just wrenching on one of our planes, Al is a "go to" guy who can be counted on. I could continue with the superlatives, but I think we all know what Al means for this Club. Congratulations Al ... and well deserved.

See you all at the Meeting.

David
